Dear PSESC Members,

I am so excited that we have a newsletter so we can keep in touch and share what is happening in our club.

We have some active, fun and hard-working members and we can now share all that everyone is doing.

We have had some awesome events this year. Here are a few highlights:

Seattle Kennel Club Show Breed Booth.

Thank you to Kevin and Charnell for your hard work along with your whole team that put the booth together and put on a spectacular meal at Filsons Outfitters Downtown Seattle.

Hunt Test teamed with Wenatchee Kennel Club.

Thank you to Norm and Louise for your hard work with your whole team including the meals that Charnell put together.

PSESC Specialties.

Thank you to Julie Brimble and your whole team for an awesome six shows in five days. So much fun.

Canadian English Setter National

Thank you Sherry Doratti and your team for an amazing National. We had a fabulous time.

ESAA National

Many PSESC members attended the National outside of Chicago. Beautiful setters. Lots of successes, and great friendships.

Looking to 2020:

- **January 11-13.** The Seattle Kennel Club has moved to January with the Puyallup Shows.
- **March.** Possibly the third weekend, Louise is attempting to put together a Bird Dog 101 Training in Wenatchee with Lisa Merki as the instructor. The training will be two days and the cost will be \$90. Even if you never plan to hunt your dog, hunt tests are incredibly fun. Your dog will love running and looking for birds in a safe environment. The training in March will be at a fully fenced field. Your dog will be glad that you attended.
- **April 18-19.** The PSESC is looking at having a Regional Specialty at the Tacoma dome this weekend along with two All Breed shows.
- **May 1.** PSESC Hunt Test in Eastern Washington Near Coulee Dam on Hwy 2. This Hunt Test precedes the Wenatchee KC's four Hunt Tests.
- **May 23-26.** Our club tries to Support the Spokane Couer D'Alene shows.
- **May 29-31 or July 10-12.** Louise is looking into a Nose Work Trial that will be put on by the PSESC at the Wenatchee KC Facility. This will take many members working the trial, so add this to your calendar. This will be a huge fund raiser for our club.
- **June 19-21.** Plan to support our partners the WVESC Specialties.
- **Aug 1.** We heard rumors that the English Setter Club of Calvary might be having a Regional Specialty that they asked us to support, check for news next newsletter.
- More calendar info next month.

PSESC Meeting November 12 Meeting Online Highlights:

We will move our Breed Booth to the Tacoma KC show April 18-19th along with doing a Regional Specialty. Thank you to Tannley, Lisa, Jessica, Julie and all for working so quickly on getting this event approved.

Tannley and her committee are working on putting in a bid for the 2021 National or the 2022 National Specialty. More to Come.

Hunt Test - May 1.

Need judges for all Specialties, names must be submitted to Julie Brimble on or before Dec 1st. We will ask Kathleen if she can put these judges into an online vote on December 3rd. Voting for April Judge and August judges. Submit lots of names today.

Next online meeting will be December 17th at 7:00PM. Put that date on your calendar so you don't miss out.

A huge thank you to Aron for putting together our newsletter. This will only be successful if you continue to submit your brags and tributes to Aron by the 25th of each month. Thank you to Rhonda for submitting the versatility article.

We are a Team! And Together we are Strong!

Blessings,

Melissa
