Clinton WA 98236

Dear PSESC Members,

A huge thank you to Aron for keeping us updated with a beautiful newsletter. We hope that you all will participate in posting your photos in it with your brags or your stories about how your English Setter has affected your life.

Looking forward to charting some new territory this year.

Everyone has been asking for a Hunt Test practice, so Louise has set that up for our club and others. March 21-22 in Wenatchee, Bird Dog 101. We need four people to be on this committee, please volunteer. There won't be too much to do as Louise has most of the groundwork done, but we need four people to join that committee.

Our club is not only embarking on a new Specialty at the Tacoma Dome April 18<sup>th</sup> in conjunction with the Tacoma KC shows April 18-19, we will also have our beautiful breed booth there Piloted by Kevin and Charnell Bolger. We need more people to help with the breed booth, both setting up, tearing down and manning the booth with your setter and letting everyone pet your dog.

Hunt Test plans are underway. Louise and Norm are working hard getting grounds, birds and AKC paperwork done. The Hunt Test will be Friday May 1<sup>st</sup>, prior to Wenatchee KC double double hunt tests that weekend.

June 19-21 - Plan to support our partners the WVESC Specialties.

Tannley and her National Specialty Committee have been working hard to try and pin down the ESAA National for Sept 2021.

More Calendar info next month.

Please jump on our meeting at [www.zoom.us](https://www.zoom.us) Tuesday January 28<sup>th</sup> at 7:00PM. Meeting code is: 669 354 2160

We are a Team! And Together we are Strong!

Blessings, Melissa
